Dean of the Faculty of Science  
Phone 61584

DEPARTMENT OF CHEMISTRY,  
UNIVERSITY COLLEGE,  
SCIENCE BUILDINGS,  
UPPER MERRION STREET,  
DUBLIN.

Professor J. Nata,  
Il Direttore,  
Istituto di Chimica Industriale del Politecnico,  
Piazza Leonardo da Vinci, 32,  
Milano, Italy.

Dear Professor Nata,

I write on behalf of the Irish student party to thank you and your colleagues for a very pleasant visit to your world famous department. We were greatly impressed by all that we saw and we learned a great deal.

Dr. Philbin and I are most grateful for your courtesy in receiving us. It was an honour to meet so distinguished a chemist.

With renewed thanks,

Yours very sincerely,

*T. S. Wheeler*
